

2012 Bond Bill Funding

During the 2012 legislative session, the Maryland General Assembly evaluated 122 bond bill requests that totaled over \$34 million. The Senate and the House each funded \$7.5 million in legislative projects; individual bond bills were not acted upon by the legislature. Instead, the General Assembly amended the State Capital Budget Bill (SB 151) to specifically list the projects selected for funding. The chart below indicates the status of those bond bills funded in 2012. The "Total" column on the right indicates the total amount of funding approved for each project.
