State Capital Spending by Major Fund Source: Fiscal 2002-2016 (\$ in Millions)

•The State's transportation capital program is supported by the Transportation Trust Fund. The nontransportation capital program is primarily supported with general obligation bonds authorized in the annual capital budget bill and general, special, and federal funds appropriated in the annual operating budget bill referred to as pay-as-you-go funds. Other funding sources include revenue bonds supporting upgrades to wastewater treatment plants, Academic Revenue Bonds supporting higher education academic facilities, and Qualified Zone Academy Bonds for school construction projects.
